ASC General Assembly in 2024

The 15th General Assembly of the Asian Seismological Commission will be held on November 3-7, 2024 in Turkey. You can find topics and other details in the link <https://asc2024.org/>. Information about early bird registration can be found at <https://asc2024.org/registration>. If you want to make a new session, to be a convener, to have exhibition booths, to provide pre- or after- assembly activities, please contact Prof. Li Li (lilygrace@cea-igp.ac.cn), the Secretary General of Asian Seismological Commission (ASC), the Vice President of International Association of Seismology and Physics of the Earth's Interior (IASPEI), and the Director General of Institute of Geophysics, China Earthquake Administration (IGP, CEA).
