WHY SHOULD I ATTEND TO THE GENERAL MEETING

- **Network with experts and stakeholders:** Sponsoring the conference can provide companies with the opportunity to network with experts and stakeholders in the field of seismology and related geophysical and geological areas. This can help them build new relationships and partnerships that can lead to future business opportunities.

- **Brand Exposure:** Sponsoring the conference provides a platform for companies to showcase their brand to a targeted audience, potentially leading to increased brand recognition and market share.

- **Generate exclusive leads:** Sponsoring the conference can provide companies with exclusive leads that they may not have been able to access otherwise. This can help them expand their customer base and grow their business.

- **Professional Development:** Sponsoring the conference provides opportunities for professional development for employees, including attending technical sessions and workshops, learning about the latest advancements in seismology, and networking with other professionals.

- **Recruitment:** By sponsoring the conference, companies can attract top talent in the seismology field, potentially leading to the recruitment of highly skilled employees.

- **Supporting the Industry:** By sponsoring the 15th ASC General Assembly, companies can demonstrate their commitment to supporting the seismology and related geophysical and geological industry and its professionals, contributing to its growth and development.
